Product Family: Inox-Pro Cookware

Inox-Pro casserole pan 16 cm stainless steel induction-ready in satin finish

Designed to keep up with the high demand of professional kitchens, the Inox-Pro casserole pan is the best choice for slow cooking and browning. The body of this pan is made of 18/10-grade stainless steel for impressive durability and longevity, and the sandwich base features an aluminum core to provide exceptionally fast heat, even distribution and induction compatibility. Two strong loop handles offer a comfortable grip and plenty of support for easy maneuvering, while the smooth interior promises quick cleaning. With its sleek design and smooth satin finish that hides signs of wear, this NSF-certified casserole pan will look stunning on your gas, vitroceramic, electric or induction range.

MODEL INFORMATION

EAN 13	8421661217163
(W) Width (CM)	28
(D) Depth (CM)	18
(H) Height (CM)	8.6
(DI) Diameter (CM)	16
Capacity (L)	1.5
Weight (KG)	0.72
Construction Material	Stainless Steel
Material Type	Metals
Case Lot	1

Features & Benefits

- Stainless steel body promises impressive durability and longevity
- Sandwich base, with an aluminum core, provides fast and even heat distribution
- Satin finish creates a sleek appearance and hides signs of wear
- Strong loop handles offer a comfortable grip and plenty of support for easy maneuvering
