Product Family: Serving Trays and Bowls

1 ⅘-quart square double-wall insulated serving bowl with beehive pattern in black

Retain your food's hot or cold temperature with this stylish square double-wall insulated serving bowl. Thanks to its double wall, heavy-gauge 18-8 stainless steel construction, this bowl does not require preheating or chilling to serve food at its intended temperature. Plus, it won't sweat from piping hot, freshly prepared food or icy cold food at a hot summer event! Showcasing a beehive pattern and satin-finish interior, this bowl creates an attractive display while hiding any scratches from serving utensils or other daily wear-and-tear.

Features & Benefits

- Heavy-gauge stainless steel is long-lasting and will not affect the taste or color of food
- Double-wall design maintains serving temperatures and prevents condensation for a clean appearance
- Beehive design and square shape catch the eye
- Satin-finish interior hides scratches and wear
- Cobalt blue exterior enhance buffet presentation
- NSF-certified
- NSF-certified
