Product Family: Super Pan 3

Full-size 4-inch-deep Super Pan 3® stainless steel steam table pan

The sleek Super Pan 3 steam table pan is impressively efficient, making it a valuable addition to your steam table. The stainless steel construction is durable and long-lasting, while reinforced spout-shaped corners make it easy to pour and scoop out food. Thanks to flat edges with higher rims, this pan prevents steam loss, making it notably more efficient than weaker pans with bent edges. Antijam stacking lugs enable easy separation and lifting of the pan, so removal and transportation are quick and easy.

Features & Benefits
