Countertop napkin dispenser with 12-compartment adjustable cup, lid and condiment organizer

This combined napkin dispenser and cup, lid and condiment organizer by Vollrath transforms your counter into a one-stop self-service station. The ABS plastic and smoked-acrylic construction is equally sleek and durable, promising years of use, and the napkin dispenser features overfill protection for stress-free operation and refilling. The unique design maximizes counter space by stacking your condiments on top of your napkin dispenser, keeping everything within reach, and the adjustable compartments allow you to set up your dividers in whatever way serves your customers best. The slanted design offers a clear view of items while preventing them from falling out, making self-service easy and more sanitary.
