Flap Rack plate and tray rack full size polypropylene in beige

The Flap Rack plate and tray rack by Pujadas is a versatile addition to any warewashing lineup. It features small pegs that support plates and trays in a variety of sizes, while the Flap Rack design makes it easy to switch between open and closed sides depending on your needs. Open sides ensure thorough washing and superior airflow for better cleaning and faster drying, while closed sides provide security and protection for storage and transportation (flaps for closed sides sold separately). This rack features double-wall polypropylene that offers impressive strength and a temperature range up to 95°C (203°F), promising years of superior performance. It's easy to assemble, stackable and NSF-certified, so it's perfect for any commercial kitchen.
