Madeleine mould 39.5 x 20 cm with two rows of six 8 cm moulds steel in gray

Create perfectly formed madeleines with the madeleine mold by Pujadas. It features two rows of six 8-centimeter molds, allowing you to bake up to twelve madeleines at once. Made of strong steel, this mold is exceptionally long-lasting and ensures even heating for uniform results. The smooth interior allows easy removal of the madeleines and quick cleaning, while the gray color blends beautifully with the rest of your bakeware.
