Product Family: Pastry Trays

Perforated pastry tray 60 x 40 cm aluminum with nonstick coating

Sleek and smooth, the perforated pastry tray by Pujadas offers superior performance. The aluminum construction is strong, lightweight and ensures even heating, while the nonstick coating promises easy release and quick cleaning. Perforations improve airflow, leading to shorter baking times and crispier bottom crusts. This tray features a small rim that allows easy gripping and prevents food items from sliding off, with a 45-degree angle for convenient stacking. Designed specifically for pastry ovens, this tray is ideal for candies, pastries, breads and more.

MODEL INFORMATION

EAN 13	8421661321600
(W) Width (CM)	60
(D) Depth (CM)	40
(H) Height (CM)	1
Weight (KG)	0.9
Construction Material	Aluminum
Material Type	Metals
Case Lot	1

Features & Benefits

- Aluminum construction is strong and lightweight
