## 24-ounce Traex<sup>®</sup> FIFO clear squeeze dispenser with white FlowCut<sup>™</sup> cap and yellow base cap

Serve the freshest condiments with confidence from the Traex<sup>®</sup> first-in/first-out squeeze dispenser. Traex<sup>®</sup> FIFO squeeze dispensers fill from the bottom but dispense from the top, for improved food safety and less waste.

The clear 24-ounce bottle enhances product visibility, and a wide mouth on each end makes refilling and cleaning easy. The FlowCut<sup>™</sup> cap turns dispensing upside down, allowing you to store the bottle dispenser side down for a constant flow and less waste when product is low.

### Features & Benefits

- White flip-top cap with yellow twist end cap
- FlowCut<sup>™</sup> cap has a patented silicone valve flip top for easy squeezing and dispensing with the bottle upside down
- Colored storage base cap system prevents cross-contamination
- Embossed graduated design simplifies portion tracking
- Tight, no-leak seals help prevent spills and messes
- Date code on storage base cap helps ensure safety and freshness
- BPA-free polyethylene is NSF-certified and dishwasher-safe
- Made in USA
