Product Family: **Stainless Steel Trolleys**

Three-shelf heavy-duty stainless steel standard cart with 23" x 35" shelves

Designed for versatility and durability, the heavy-duty standard cart is perfect for any restaurant, catering operation or other foodservice establishment. The large, sturdy shelves offer an impressive 900-pound weight capacity, while two casters and two wheels ensure swift maneuvering. Thanks to a comfort-coated handle, this cart offers a smooth user experience, and the strong frame promises years of dependable service.

Features & Benefits

- 900-pound capacity is distributed between the shelves
- Two 4-inch swivel casters and two 8-inch front wheels ensure swift maneuvering
- 16-gauge stainless steel shelves are durable and long-lasting
- Shelves and frame are welded for additional stability
- Extended-height stainless steel handles feature a comfort coating
- Made in the USA
