9 1/2-inch high-temperature nylon-end one-piece tongs with black Kool-Touch® handle

With a sleek design and high-temperature capabilities, the Vollrath® nylon-end one-piece tongs will quickly become your favorite cooking tool. Featuring a heavy-gauge stainless steel body, these tongs will last for years of quality service and are fully functional up to 350°F. The one-piece design prevents unsanitary food traps and is easy to use. The nylon end won't scratch or mar nonstick surfaces and is heat-resistant up to 450°F for impressive versatility. The scalloped, concave design gently, but firmly, grips food, and the ergonomic handle design offers a comfortable grip and reduces hand fatigue. The Kool-Touch handle is color-safe up to 225°F. This insulated handle coating is permanently bonded to the tongs, so it will not slip off and ensures a cool grip. These tongs feature all-natural antimicrobial properties and are dishwasher-safe for easy cleaning.

MODEL INFORMATION

EAN 13	8421661612388
(L) Length (CM)	24.1
Color	Black
Construction Material	Stainless Steel
Material Type	Polymers
Case Lot	12
Case Width	6.75
Case Height	3.25
Case Length	15
