Cold storage thermometer 28 cm cast steel in white with enameled finish

Specifically calibrated for cold temperatures, this cold storage thermometer by Pujadas is perfect for coolers, freezers and more. Offering incredible strength, this thermometer features a cast steel construction and an enameled finish, making it more than capable of withstanding extreme cold. The temperature range extends from 50°C to -30°C, and the combination of black and red text on the white background is easy to read. Promising accuracy and dependability, this thermometer helps ensure optimal storage temperatures.

MODEL INFORMATION

EAN 13	8712591086869
(W) Width (CM)	26
(D) Depth (CM)	7
(H) Height (CM)	2
Weight (KG)	0.06
Material Type	Metals
Case Lot	10
Case Width	15
Case Height	7

Features & Benefits

- Cast-steel construction with enameled finish offers incredible strength
- Temperature range extends from 50°C to -30°C, which is perfect for coolers and freezers
- Black and red text on white background is easy to read
- 28-centimeter thermometer
- Specially calibrated for cold temperatures for impressive accuracy and dependability
