Product Family: Serving Trays and Bowls

6.9-quart round double-wall stainless steel serving bowl with beehive pattern

Take your tabletop aesthetic to the next level with the Vollrath® round double-wall stainless steel bowl. Both attractive and functional, this bowl features a unique beehive pattern. An insulated, double-wall design helps maintain proper temperatures for both hot and cold foods. The double-wall design also prevents unattractive condensation, allowing you to serve any food without worry. Made of durable stainless steel, this bowl features a mirror finish on the exterior and a satin finish on the interior to help mask signs of wear and ensure a like-new appearance, even after years of use.

Features & Benefits

- Stainless steel construction is durable and long lasting
- Mirror-finish exterior and satin-finish interior create an attractive, unique appearance
- Dishwasher safe
- Double-wall design offers insulation to maintain proper food temperatures for both hot and cold foods and prevents condensation
- 6.9-quart bowl holds a variety of food items
