## Scalloped tongs 24 cm stainless steel with brown PVC handle

The scalloped tongs by Pujadas are a versatile, reliable choice. The scalloped ends ensure a gentle, yet firm, grip on a wide range of food items, while the springless design eliminates food traps and promises easy cleaning. The stainless steel construction provides impressive durability and longevity, and the PVC handle prevents heat retention and offers a comfortable, secure feel. The brown handle color fits into a color-coded system perfectly, so these tongs are sure to improve efficiency and prevent cross contamination in any busy commercial kitchen.
