Case Width	13
Case Height	12.000006
Case Length	7.25

Article: 6433120

Product Family: Kitchen Utensils

1-ounce one-piece heavy-duty solid round Spoodle® utensil with black nylon handle

Control portions and improve consistency with the Vollrath® heavy-duty round Spoodle utensil. By combining the design elements of a spoon and a ladle, this Spoodle utensil is convenient, accurate and easy to use. The mirror-finish stainless steel construction is beautiful and corrosion-resistant, and the solid bowl design is ideal for serving a wide range of foods including sauces or other liquid items. The nylon handle is heat-resistant up to 450°F and features a comfortable ergonomic grip. With all-natural antimicrobial properties, this handle guards against harmful bacteria. The one-piece design is easy to clean, while the color coding and capacity stamp on the handle allow for quick identification. A built-in stopper notch prevents the handle from sliding into the food products, and the textured handle surface prevents slipping, allowing anyone to use this utensil with efficiency and ease.

Features & Benefits

- Mirror-finish stainless steel is beautiful, durable and corrosion-resistant
- Nylon handle is heat-resistant up to 450°F
- 1-ounce capacity creates consistent portions
- Textured handle surface and ergonomic design offer a steady grip
