10-quart 220- to 230-volt countertop mixer with safety guard and UK plug

The 10-quart countertop mixer by Vollrath is an impressive, commercial-grade machine. Featuring a 1/3-HP motor and a five-speed direct-drive transmission, this mixer is powerful and built for continuous use. The digital control panel allows for easy speed adjustments during use, and a 30-minute timer with automatic shutoff keeps track of mixing time. This item comes with all the accessories required for operation, and the compact design is perfect for transportation or kitchens with limited space.
