Outfit your walk-in cooler, storage room or warehouse with the five-level modular shelving kit by Pujadas, which provides incomparable stability and reliability. Designed to maximize space, this five-level kit comes with 715 x 385 mm shelves that make the most of every inch. The shelves are compatible with 2/3-size gastronorm pans, so your food containers are sure to fit perfectly. The anodized aluminum frame resists corrosion and offers incredible strength, while the polypropylene shelves are dishwasher-safe for the ultimate convenience. The sleek design is easy to assemble and doesn't require tools, while the strong and reliable supports have a load capacity of 150 kg per shelf, with a maximum of 420 kg total per shelving unit. The feet are adjustable to ensure shelves are level and can be switched out for casters if desired (casters sold separately). With a temperature range from -30°C to 75°C (-22°F to 167°F), this versatile shelving kit can go wherever you need it most.
