Complete Table Collection stackable bowl 14 cm melamine in white

The Complete Table Collection stackable bowl by Pujadas features a versatile, space-saving design that's ideal for almost any establishment including cafés, restaurants, hotels, catering operations, coffee shops, diners and more. It features a nontoxic, odorless melamine construction that's SGS-certified for food contact. Melamine, which is a synthetic resin that becomes hardened and formed after heating, looks like porcelain but is more durable and lightweight. This stackable bowl is heat- and corrosion-resistant and has a temperature range of -20°C to 70°C (-4°F to 158°F), so it's ideal for a wide range of applications. The neutral white color creates a clean, crisp look that's sure to fit any establishment.
