Terracotta Collection round bowl 15 cm melamine in black with red rim

The Terracotta Collection round bowl by Pujadas features a rich, earthy combination of black and red colors and a textured surface for a handmade appearance. The thick, solid sides create a sturdy feel, and the small platform base elevates the bowl for an engaging presentation. This bowl is made of nontoxic, odorless melamine, which is a synthetic resin that becomes hardened and formed after heating. The result is a durable, lightweight bowl that's SGS-certified for food contact with a temperature range of -20°C to 70°C (-4°F to 158°F). It's heat- and corrosion-resistant, which is ideal for a wide range of applications, and the terracotta style is perfect for establishments that want a natural, authentic presentation.
