Double-sided display plate GN 1/2 melamine with slate- and granite-style sides

Serve your most exciting menu items on the double-sided display plate by Pujadas for a sleek, stylish presentation. This double-sided plate looks like slate on one side and granite on the other, offering a stunning, dark background for your eye-catching food items. This display plate features a nontoxic, odorless melamine construction that's SGS-certified for food contact. Melamine, which is a synthetic resin that becomes hardened and formed after heating, looks like porcelain but is more durable and lightweight. It's heat- and corrosion-resistant and has a temperature range of -20°C to 70°C (-4°F to 158°F). This 1/2-size gastrorm plate offers plenty of room for nearly any menu item, from appetizers to desserts and everything in between.

MODEL INFORMATION

EAN 13	8421661221627
(W) Width (CM)	32.5
(D) Depth (CM)	26.5
(H) Height (CM)	0.5
Weight (KG)	1.09
Construction Material	Melamine
Material Type	Polymers
Case Lot	3
Case Width	32
Case Height	4
