## French fry cutter stainless steel for 12 or 9 mm french fries

Slash your food prep time with the french fry cutter by Pujadas. This easy-to-use french fry cutter cuts potatoes eleven times faster than by hand, while the sharp, precise blades ensure even, consistent results. This cutter comes with a blade assembly that cuts 12 x 9 mm french fries, but it can be swapped out for a different blade assembly (sold separately) when you prefer a different size, offering incomparable versatility. The stainless steel construction provides impressive durability and longevity, and the strong handle offers plenty of leverage to cut through potatoes in one clean, quick stroke. Rubber feet ensure stability and prevent unwanted movement, promising a smooth and efficient user experience.
