Japanese teapot 0.35 L cast iron with filter 7 cm stainless steel

Traditional Japanese restaurants will love this teapot by Pujadas. The beautiful design features vertical lines, a curved handle and a contoured pour spout for an elegant, authentic appearance. The cast iron construction is strong and durable, while the wide, shallow shape ensures quick heating. This teapot features an enameled interior that prevents rusting and eliminates the need for seasoning, so it's easy to use and maintain. The included stainless steel filter fits in this teapot perfectly, providing everything required to start brewing high-quality Japanese tea.
