Professional One piece perforated spoon 37 cm stainless steel

The professional one-piece spoon by Pujadas is a popular choice for busy commercial kitchens. Its angled bowl and long handle offer exceptional reach and leverage for mixing, stirring and serving heavy or large food items. This spoon features evenly spaced perforations that allow excess liquid or grease to drain away for superior results. The stainless steel provides impressive durability and longevity, while the hook on the end is perfect for convenient hanging storage. With a one-piece design that eliminates food traps and promises easy cleaning, this versatile spoon is a valuable addition to any foodservice operation.
