Elegance Collection rectangular tray 32 x 12 cm melamine in speckled black

With a black base and stunning speckles, the Elegance Collection rectangular tray by Pujadas is reminiscent of a dreamy night sky. This tray features curved sides and a long, narrow design for a unique presentation. The 32 x 12 cm size is perfect for appetizers, shared plates, desserts and more, while the -20°C to 70°C (-4°F to 158°F) temperature range provides impressive versatility. This tray features a nontoxic, odorless melamine construction, which is a synthetic resin that becomes hardened and formed after heating. It ensures exceptional heat and corrosion resistance and is SGS-certified for food contact. This tray is a durable, lightweight alternative to ceramic, as it offers a similar presentation without the weight or fragility.
