

MODEL INFORMATION

EAN 13	8421661862127
(W) Width (CM)	60
(D) Depth (CM)	40
(H) Height (CM)	4
(DI) Diameter (CM)	10.5
Weight (KG)	0.492
Construction Material	Silicone
Material Type	Polymers
Case Lot	1

Article: P859212

Product Family: Pastry Moulds

Flexipan 12 Tatin apple tarts mould for 10.5 cm-diameter 4 cm-tall

With a unique construction that's favored by high-class commercial kitchens, this Flexipan mold by Pujadas creates flawless tarte tatins with ease. Flexipan features a unique combination of silicone and fiberglass that offers incomparable flexibility, durability and natural nonstick properties. It doesn't need to be oiled and allows a smooth, easy release. The strong design can be used between 2000 and 3000 times before showing any signs of wear, making this mold a dependable and eco-friendly option. It features a temperature range of -40°C to 280°C, so it can be used for freezing, baking and everything in between. Easy to clean and NSF-certified, this versatile tarte tatins mold offers exceptional performance for unforgettable results.

Features & Benefits
