Hot tray warmer 37 x 17.5 cm stainless steel with two burners and aluminum cover plate

The hot tray warmer by Pujadas keeps trays at ideal serving temperatures, so food items taste just as good as intended. The stainless steel construction provides impressive durability and longevity, while the aluminum cover plate promises consistent heating. With two candle holders inside, this hot tray warmer works quickly and distributes heat evenly across the aluminum cover plate. The 37 x 17 ½ cm size is perfect for a wide range of trays and the simple design is easy to use.
