Product Family: Cutting Boards

Cutting board table 65 x 40 cm high-density polyethylene in white with slot for GN 1/3 pan

Transform any surface into a food prep area with this cutting board table by Pujadas. It's made of high-density polyethylene, which provides superior durability, rigidity and abrasion resistance for an incomparable performance. The large 65 x 40 cm board offers plenty of room for a wide range of food items, and the groove around the edge catches juice and other liquids to prevent messes. The slot holds a 1/3-size gastronorm pan (sold separately) for a convenient all-in-one workstation, while the legs elevate the cutting board off the table or counter to accommodate a deep pan. The white color fits into a color-coded HACCP program perfectly, which helps keep kitchens organized, maximizes efficiency and prevents cross contamination, while the smooth surface promises quick and easy cleaning.

MODEL INFORMATION

EAN 13	8421661913003
(W) Width (CM)	66
(D) Depth (CM)	40
(H) Height (CM)	11
Weight (KG)	4.1
Construction Material	Polyethylene
Material Type	Polymers
Case Lot	1

Features & Benefits
