Countertop deep fryer 8 L 3250 W stainless steel with drain tap

With an 8-liter well, this countertop deep fryer by Pujadas makes it easy to keep up with high demand. It offers quick, powerful heat for delicious, consistent results and is made of 18/10-grade stainless steel for impressive durability and longevity. This fryer features an EGO thermostat and variable temperature control up to 190°C (374°F), which is ideal for a wide range of deep-fried food items including fries, onion rings, chicken strips and much more. The thermal cutout stops the unit from overheating, and a cold zone prevents food items that escape the basket from burning. The basket features a sculpted, insulated handle for a secure, comfortable grip. The well has a drainage tap and a removable inner pan with recessed handles for quick cleaning. The dial control is easy to use, and indicator lights keep you informed, promising a smooth user experience and top-tier results.
