Product Family: Shelving Components

Five-level lateral support 2000 x 555 mm anodized aluminum for modular shelving

Combine this five-level lateral support by Pujadas with other modular shelving pieces (sold separately) to maximize storage space in your walk-in cooler, storage room or warehouse. Featuring a 2000-millimeter height and 555-millimeter depth, this lateral support accommodates five shelves that are the perfect size for 1/1-size gastronorm pans. The anodized aluminum resists corrosion and offers incredible strength, and the sleek design promises easy assembly.
