Material Type	Polymers
Case Lot	1

Article: **P5091F1**

Product Family: **Open Assembled Racks**

9-compartment rack extender full size polypropylene in beige with flaps for Closed Flap Rack 9-compartment rack

Compatible with full-size Flap Rack 9-compartment racks, this extender by Pujadas is a convenient way to customize your rack to your needs. It's easy to assemble and provides additional height and support for taller items. Thanks to the patented Flap Rack design and beige flaps, it's easy to switch between open and closed sides for incomparable versatility. Open sides ensure thorough washing and superior airflow for better cleaning and faster drying, while closed sides provide security and protection for storage and transportation. This extender features double-wall polypropylene that offers impressive strength and a temperature range up to 95°C (203°F), promising years of superior performance. It's stackable, which saves space during storage, and NSF-certified.
