A striking combination of strength, performance and style, the Inox-Pro sauté pan by Pujadas stands out from the rest. With a sandwich base that features an aluminum core between two layers of stainless steel, this sauté pan offers exceptionally fast heat, even distribution and induction compatibility. The body is made of 18/10-grade stainless steel for impressive durability and longevity, while the satin finish creates a sleek appearance that hides signs of wear. The wide base and straight sides are perfect for a variety of applications, including sautéing, searing, shallow frying and more. The strong tubular handle features a reliable welded connection, as well as a hole in the end for convenient hanging storage. With a smooth interior, this pan promises quick, easy cleaning. The sleek design of this NSF-certified sauté pan will look stunning on your gas, vitroceramic, electric or induction range.
