Reversible wine cooler 35 cm nylon and PVC in burgundy or silver

Keep a bottle of wine cold and crisp with the reversible wine cooler by Pujadas. The wine cooler is made of nylon and PVC, which provide impressive insulation for hours of use and prevent condensation for a clean appearance. The reversible design allows you to choose from a burgundy or a silver exterior, which can be used as part of a color-coded system or simply as an aesthetic choice. No matter what type of wine you place inside, this wine cooler helps ensure delicious results.

Features & Benefits

- Nylon and PVC construction provide impressive insulation for hours of use
- Prevents condensation for a clean appearance
- Reversible design allows you to choose between a burgundy or silver exterior
- 35-centimeter wine cooler
- Designed to keep chilled wines at perfect serving temperatures
