Terracotta Collection square tray 20.5 cm melamine in black with tan rim

The Terracotta Collection square tray by Pujadas features a rich, earthy combination of black and tan colors and an uneven rim for a handmade appearance. The curved surface features sleek linear grooves, while the 25 ½-centimeter size offers plenty of room for a wide range of food items. It's made of nontoxic, odorless melamine, which is a synthetic resin that becomes hardened and formed after heating. The result is a durable, lightweight tray that's SGS-certified for food contact with a temperature range of -20°C to 70°C (-4°F to 158°F). It's heat- and corrosion-resistant, which is ideal for a wide range of applications, and the terracotta style is perfect for establishments that want a natural, authentic presentation.
