Sandwich toaster 1700 W stainless steel for 80 to 100 slices per hour

Fast and efficient, the sandwich toaster by Pujadas does not disappoint. The powerful quartz heating elements respond quickly for impressive, efficient toasting, accommodating between 80 and 100 slices per hour. The individual left- and right-side controls help achieve precise, high-quality results, and the built-in timer ensures convenient operation and easy repeatability. The stainless steel construction provides impressive durability and longevity, while the compact countertop design saves valuable space. This toaster comes with three sandwich tongs, which offer a reliable grip and keep hands far away from the heating elements for safety, as well as a drip tray in the bottom to prevent messes and ensure quick cleaning.
