Non-stick sandwich bottom induction-ready GN 1/2 container 65 mm deep in grey

Add a pop of color to your lineup with this grey steam table pan by Pujadas. Featuring a patented sandwich-base design, this induction-ready steam table pan creates powerful, consistent heat. It can be used with induction, gas, electric and vitroceramic heat. Thanks to the heavy-duty stainless steel construction, thick design and reinforced edges, this pan is highly resistant to dings and dents. The nonstick coating promises an easy release and quick cleaning, and the versatile design is ideal for cooking, transporting, storing, serving and more. The black color draws attention and adds a fun touch to your serving area, making this NSF-certified steam table pan a popular choice.
