## Five-level modular corner shelving kit anodized aluminum frame with polypropylene shelves 3811 x 385 mm

Designed to maximize space, the five-level modular corner shelving kit by Pujadas is an excellent addition to any walk-in cooler, storage room or warehouse. This five-level kit comes with 3811 x 385 mm shelves that fit perfectly into tight corners and provide incomparable stability and reliability. The shelves are compatible with 2/3-size gastronorm pans, so your food containers are sure to fit perfectly. Its anodized aluminum frame resists corrosion and offers incredible strength, while the polypropylene shelves are dishwasher-safe for the ultimate convenience. Thanks to the sleek design, this kit is easy to assemble and doesn't require tools. Strong, reliable supports have a load capacity of 150 kg (330 lb) per shelf. The feet are adjustable to ensure shelves are level and can be switched out for casters if desired (casters sold separately). With a temperature range from -30°C to 75°C (-22°F to 167°F), this versatile shelving kit can go wherever you need it most.

### Features & Benefits
