Article: **P132365**

Product Family: **Gn Sheet**

Non-stick GN pan tray 7.9 liter capacity aluminum with nonstick coating

Specially designed for gastronorm-sized ovens, this reliable 1/1-size baking pan by Pujadas has an impressive capacity of 7 9/10 liters. The strong, yet lightweight, aluminum construction offers years of dependability and even heat transfer for consistent results. Meanwhile, the nonstick coating promises easy release for smooth serving and quick cleaning. Flat corners are designed to resist dents, while the sleek black interior creates a modern appearance.

Features & Benefits

- Aluminum construction is strong and lightweight
- Offers excellent heat transfer for high-quality results
- Nonstick coating promises easy release and cleaning
