Infrared thermometer 17 cm plastic with laser pointer in black and yellow

The infrared thermometer by Pujadas is a quick and easy way to measure the temperature of a food's surface. This sleek thermometer is made of strong, reliable plastic and has a laser pointer for no-contact operation. The LCD display is easy to read, while the high-contrast black and yellow colors are hard to miss, so this thermometer never gets lost. With a temperature range of -60°C to 500°C (-76°F to 932°F), this infrared thermometer is the perfect choice for almost any application and promises incredible accuracy.

MODEL INFORMATION

EAN 13	8712591023475
(W) Width (CM)	21.5
(D) Depth (CM)	11.5
(H) Height (CM)	6.5
Weight (KG)	0.21
Construction Material	Plastic
Material Type	Polymers
Case Lot	1
Case Width	21.5
Case Height	6.5

Features & Benefits

- Plastic is strong and reliable
- LCD display is easy to read
- Laser pointer ensures easy, no-contact operation
