Product Family: Aluminium Fry Pan

Alu Pro Ergos frying pan 22 cm aluminum induction-ready with nonstick coating

Whether you want to cook on a gas, vitroceramic, electric or even an induction range, the versatile Alu Pro Ergos frying pan by Pujadas is up for the task. The strong aluminum construction withstands the demands of busy kitchens, without feeling too heavy, and ensures even heating for top-tier results. This aluminum frying pan features a stainless steel sheet bottom for induction compatibility, as well as a nonstick coating that promises easy release and quick cleaning for a smooth user experience. The stainless steel ergonomic handle prevents heat retention for a cool, comfortable grip. The hang-hole at the end of the handle provides a convenient storage solution, so this 22-centimeter frying pan is always within reach.
