Open Flap Rack 9-compartment rack full size polypropylene in beige with three extenders

Clean, dry, store and transport glassware while preventing breakage with the Flap Rack compartment rack by Pujadas. It features nine compartments and five extenders that support and protect glasses up to 151 millimeters in diameter and 200 millimeters tall. The Flap Rack design makes it easy to switch between open and closed sides depending on your needs. Open sides ensure thorough washing and superior airflow for better cleaning and faster drying, while closed sides provide security and protection for storage and transportation (flaps for closed sides sold separately). This rack features double-wall polypropylene that offers impressive strength and a temperature range up to 95°C (203°F), promising years of superior performance. It's easy to assemble, stackable and NSF-certified, so it's perfect for any commercial kitchen.
