(H) Height (CM)	175
Weight (KG)	33752
Construction Material	Aluminum
Material Type	Metals
Case Lot	1
Case Width	24
Case Height	172.5

Outfit your walk-in cooler, storage room or warehouse with the five-level modular shelving kit by Pujadas, which provides incomparable stability and reliability. Designed to maximize space, this five-level kit comes with 2280 x 385 mm shelves that make the most of every inch. The shelves are compatible with 2/3-size gastronorm pans, so your food containers are sure to fit perfectly. The anodized aluminum frame resists corrosion and offers incredible strength, while the polypropylene shelves are dishwasher-safe for the ultimate convenience. The sleek design is easy to assemble and doesn't require tools, while the strong, reliable supports have a load capacity of 150 kg (330 lb) per shelf. The feet are adjustable to ensure shelves are level and can be switched out for casters if desired (casters sold separately). With a temperature range from -30°C to 75°C (-22°F to 167°F), this versatile shelving kit can go wherever you need it most.
