Three-level lateral support 1880 x 385 mm anodized aluminum for modular shelving

Combine this three-level lateral support by Pujadas with other modular shelving pieces (sold separately) to maximize storage space in your walk-in cooler, storage room or warehouse. Featuring a 1880-millimeter height and 385-millimeter depth, this lateral support accommodates five shelves that are the perfect size for 2/3-size gastronorm pans. The anodized aluminum resists corrosion and offers incredible strength, and the sleek design promises easy assembly.
