Disassembled trolley 45.5 x 63.5 cm 17 rails for GN 1/1 pans

The 17-level disassembled trolley for GN 1/1 pans is designed to optimise organisation and efficiency in professional kitchens, offering a robust solution for storage and transport. Its structure accommodates up to 17 levels, ensuring secure and organised pan placement. Equipped with high-resistance wheels—two with brakes—it provides smooth mobility and safe handling in any working environment. Compatible with GN 1/1 pans, it is ideal for commercial kitchens, institutional catering, and foodservice operations that require speed and reliability.

Features & Benefits
