Case Size	45 x 34 x 30.5 cm
Case Lot	1
Case Gross Weight	7.53 Kg

P154623 Blender PrepTech PRO D

The Preptech professional blender delivers exceptional power with its 3,7HP max. high-performance motor, offering ultra-smooth results even with dense ingredients. Designed for demanding foodservice environments, it features variable speed control, pulse function, and three preset programs for fast and consistent preparation. Its 2.5-liter Tritan jar is lightweight, BPA-free, and built for intensive daily use, while the 6-blade knife system ensures perfect blending and ice crushing. Ideal for producing more than 75 beverages per day, this blender includes a tamper and a digital timer for precise operation.
