Induction hob IP First 35 D 3500 W

The IP First 35 D induction cooktop is engineered for reliable mid-duty performance, offering precise, efficient heating for a wide range of professional cooking tasks. With 12 adjustable power levels and a versatile temperature range of 50°C to 240°C (122°F to 464°F), it ensures accurate control for simmering, boiling, sautéing and low-intensity preparation. The LED touch control panel includes an intuitive 0-180 minute timer, delivering simple operation and consistent results in busy kitchens. Built with a durable stainless steel case designed for mid-duty usage, the IP First 35 D is a dependable choice for establishments that require steady heat without the demands of heavy-duty cooking.

Features & benefits

- 12 adjustable power levels for precise cooking control
- Temperature range of 50°C to 240°C (122°F to 464°F) for versatile use
