

# INSTRUCTION FOR UTILITY CARTS

ACCESSORIES	AMOUNT
Shelf	3 pieces
Aluminum Posts	8 pieces
Casters	4 pieces
Handles	2 pieces

## Recommended Tool

1. Rubber/Plastic Hammer
2. Newspaper at least  $\frac{3}{4}$ " thick or  $1\frac{3}{4}$ " thick book, or a wooden board as padding.

## Before Assemble

- Identify the shelf for "Top, Middle & Bottom Shelf".
- Lining up the length with the taller border at the same side prior to assembling it.
- Assemble from "Bottom to Top", fixing the handles last.
- Lay padding when hammering the shelf, support or handle to ensure easy assembling.

## Assemble Instruction

- Step 1: Insert the aluminum post into the corner of the shelf.
- Step 2: Hammer in the aluminum post into the corners of the shelf in a circular movement. (Do not hammer in one post at a time.)
- Step 3: Repeat steps 1 and 2 until all 3 shelves are assembled.
- Step 4: Turn over the cart; insert casters into the corners of the shelf located underneath the bottom shelf. Hammer the wheels in.
- Step 5: Turn over the cart, assemble handles to the shelf.
